An Uncommon Wine Story

In 1980, Diane Downing and Alex Ray traveled to northern California vineyards where they were enchanted by the variety and quality of the wines. Setting precedent in the New Hampshire restaurant industry, Di and Al undertook to work with vintners in the area to select grapes, blend and bottle their own Common Man wines. We are proud of their success in creating wines of such quality and value and encourage you to sample and enjoy. In addition to our own Common Man label, we stock a wonderful variety of fine wines. Cheers!
