Foster's Riddles!

Answers below.

- 1. Why can't you play hide and seek with a mountain?
- 2. What breaks but never falls?
- 3. You will find him in the mountains and you'll find him in the creek. He has no mouth, yet he speaks every tongue. He has no ears, yet answers every cry, always having the final word.
- 4. What cannot be sawed, but is made of wood?
- 5. Why don't lumberjacks believe in petrified forests?
- 6. Where do you find forests without trees, roads without cars and towns without houses?
- 7. What did the tree say to the axe?
- 8. What always runs, never walks, often murmurs, never talks, has a bed but never sleeps, has a mouth, but never speaks?
